

タイトル：特別な文献（2016-2019）

スクラムジェット関連文献の中で、タイトルやアブストラクト中に overview や review 等特別な語句を含む文献を過去 4 年間について調べてみました。

タイトル(注)	発行 年	全ページ 数	参考文献 数
A review of the scramjet experimental data base	2019	28	215
Progress in Scramjet Design Optimization Under Uncertainty Using Simulations of the HIFiRE Direct Connect Rig	2019	20	40
Progress in Scramjet Design Optimization Under Uncertainty Using Simulations of the HIFiRE Configuration	2019	20	40
A brief review on the recent advances in scramjet engine	2017	6	40
Research on Supersonic Combustion and Scramjet Combustors at ONERA	2016	20	66
A Quasi-One-Dimensional Analysis of Hydrogen-Fueled Scramjet Combustors	2016	26	118
A review of air-fuel mixing and alternative methods in scramjets and scramjet-like engines.	2016	11	90
Recent advances in cavity-based scramjet engine—a brief review	2019	15	
A systematic literature review based on different fuel injection strategies used in scramjet combustors	2019	25	
Parametric study of combustion oscillation in a single-side expansion scramjet combustor	2016	11	11
Composite materials used in Scramjet—A Review	2016	6	1
Perspective of laser-induced plasma ignition of hydrocarbon fuel in Scramjet engine	2016	7
